- “Very supportive of the concerns we had.”
- “Very accommodating!”
- “My only thought is that I would do it earlier in the process!”
- “You offer a timely service with quality results, both of which you have a right to be proud of!”
- “Dr. Faul followed up quickly with a verbal report and about a week later I received the written report. The written report was very thorough.”
- “This was the first time I used the Leadership and Management Evaluation. I was pleased with the reports and they were helpful to me in making a promotion decision.”
- “Karen was helpful in scheduling the appointments and checking with the doctor and getting back to me on time

requirements and availability.”

- “I have always been pleased with the services Dr. Leaveck and Dr. Faul have provided.”
- “Very thorough and very detailed information which provides us with a better rationale for making hiring decisions!”
- “My only other experience was with Goodhue County and the quality was improved ten-fold.”
- “The psychologists have always made themselves available even by cell phone if they are not available in the office or if it is after hours.”
- “I find your reports to be very useful in making hiring and promotional decisions. I value the quick phone call, usually within 2 days from some brief information so I can move my hiring process along. I also like the detail in the written reports. We use the information in the reports to help us monitor and address items during training so that we can set direction early for our recruits.”
- “The insight is invaluable in helping us determine how well a candidate will fit our organization. The verbal reports help clarify potential concerns and ensures that everyone is working toward the same goal. It is difficult to exaggerate how successful our working relationship has been with Dr. Fischler’s Office. They not only understand our needs, they actively seek ways in improve results that help us make good decisions.”
- “For my last hire the psychologist called to follow up with the report I was given. Great service and it was nice to have any questions on the report explained to me by the person who wrote the report.”
- “Dr. Faul’s reports were excellent and very helpful in helping me understand why the candidate was a “not recommend” and relating the concerns that appeared in the examination to difficulties that would be expected in police work.”
